

Excelling in the Field of Electrical Engineering

- Design & Build
- Electrical Installation
- Maintenance
- Test & Inspection

Introduction

At MARA our objective is to produce quality Electrical services in a positive closely controlled, well-managed & professional manner.

We are proficient in the execution of either pre-designed or design & build projects.

Our field of experience cover all types of Electrical services in projects as diverse as Healthcare, Leisure, Educational, Manufacturing & Residential.

Our extensive design experience allows us to develop the client's performance requirements after detailed discussions, into environmentally sound and workable schemes.

Our contract management knowledge ensures that installations are undertaken to programme and within budget, and equally important with a co-operative attitude. We intend to make working with MARA as easy as possible.

This can only be achieved with good communication and understanding, and the correct use of contract management tools: Reporting, Progress evaluation, and an imaginative flexible approach to solving problems.

Here at MARA we have many years experience between us, our complimentary styles and ranges of experience have produced a most capable team.

Our Mission

To provide a level of service that will exceed the expectations of our clients, maintain the highest level of quality and allow our employees the opportunity to grow and prosper. To instil confidence with all parties by professionally managing all aspects of each and every project be it large or small.

At MARA we:

- Aim to supply a high quality and versatile service to all our clients, delivering the best value at all times whilst continuing to develop our people skills through advance training opportunities.
- Make continuous improvements to our services and people - a prime factor in our continual success.
- Operate an open and honest relationship with all of our clients and this includes joint decisions making processes, agreed objectives and anticipated goals.

Values & Vision

We act with Integrity in all of our interactions never compromising our business ethics. This is the cornerstone of who we are as a company, and is essential to our future success.

The company has clear values, which are:

- Safety – we care about people
- Reliability – we have integrity
- Responsiveness – we listen to what you say.

MARA has a proven track record of effectively delivering diverse projects to a broad range of customers.

We are:

- Dedicated – proactive and dependable
- Agile – flexible and smart
- Measured – we make carefully balanced decisions.

Our core Principles

- **Honesty:** To always be truthful, open and candid
- **Integrity:** To do what we say, live up to the highest standard of fairness and ethical behaviour
- **Culture:** We seek new opportunities to learn, to improve, to teach and to add value
- **Passion:** We love what we do, we lead by example and we take the lead.
